MEMORANDUM FOR: Director of Security

SUBJECT   : Office of Security Statistical Report
                    for MARCH 1968

1. The attached tables reflect some of the activities of certain components of the Office of Security during MARCH 1968.

2. The statistics in the tables are compiled by the component concerned and refer to the current month.

3. The overall processing time for an applicant case was further reduced from 69 days in February to 62 days for this month. For March 1967, the processing time was 67 days.

5. One of the most noteworthy statistical changes is the continued sharp increases in the total support manhours in the IOS Directorate. So far this fiscal year, the total support manhours have reached 110,394 manhours which exceed the FY 1967 total manhours of 104,523. This increase in support manhours is primarily due to the handling of defector cases.
